Community Sport Stream	LTAD Stage	Competition Stream				
Community Sport: Intitiation	Active Start	<ol> <li>Coaches have an opportunity to enter Competition Stream at different entry points, but must have a sound understanding of content offered in contexts preceeding the one they are entering determined by P/TSO.</li> <li>Successful completion of Evaluation Components in each context will provide that coach "Certified" Status for that context.</li> <li>Effective January 1, 2014 Certified Coaches in the Competition Stream will need to accumulate Professional development credits in order to maintain their "Certified" Status. See Maintenance of Certification Policy for details.</li> <li>Coaches may go straight to evaluation, bypass training and challenge the evaluation in the Competition Introduction and Competition Development Contexts. Please note, coaches are strongly encouraged to participate in the training as they will be better prepared for the evaluation process.</li> <li>For more detailed coach pathways: www.curling.ca</li> </ol>
