**2021
CANADIAN
JUNIORS**

January 23-31, 2021

2021 Canadian Juniors, January 23-31

1. Objective

Curling Canada is requesting expressions of interest for the hosting of the 2021 Canadian Juniors.

2. Background

Curling Canada is the national sport governing body responsible for the development, promotion and organization of curling in Canada. In cooperation with its Provincial and Territorial Member Associations across Canada, Curling Canada provides programs and services to curlers of all ages.

The primary area of administration and the most financially consuming of Curling Canada's responsibilities are championships. On an annual basis, Curling Canada sanctions and conducts 17 national curling championship events. Approximately 10,000 competitive curlers from all provinces and territories enter play at the curling club level with the hopes of becoming one of the Canadian Champions crowned annually. The Canadian Curling Championships are:

Tim Hortons Brier - Canadian Men's Championship

The Scotties Tournament of Hearts - Canadian Women's Championship

The Mixed - Canadian Mixed Championship

Everest Canadian Seniors - Canadian Senior Men's and Women's Championships

New Holland Canadian Juniors - Canadian Junior Men's and Women's Championships

Curling Club Championships

The Canadian Wheelchair Championship

USPORTS / CCAA Post-Secondary Championships

Mixed Doubles Championship

Under-18 Boy's & Girl's Championships

In addition to these Canadian Curling Championships, Curling Canada is also responsible for the following events:

Home Hardware Canada Cup

World Financial Group Continental Cup

Pioneer World Championships (when held in Canada)

Canadian Curling Pre-trials

Tim Hortons Canadian Curling Trials

3. Economic Impact Assessment

The following key benefits have been associated with the event:

- A minimum of fourteen (14) live hours of national broadcast time on both TSN and RDS.
- Approximately 2.4 million total viewers watch the event.
- 100% of all ticket sales revenue and 100% of all local sponsorship sales are retained by the Host Committee.
- Rights and profits to any 50/50 draws are retained by the Host Committee.
- 140 coaches & athletes plus 20 officials
- Legacy from the event can be established for the benefit of curling in the region.
- Volunteer development and capacity enhancement for future events.
- Host community is intimately tied to events throughout the season (Canada Cup, Continental Cup held prior to the Canadian Juniors and other Season of Champions events following the Canadian Juniors).
- Economic impact, as reported by previous host cities and EI assessments, is between \$1.5 to \$3.0 million.
- Hotel rooms booked by Curling Canada (not including fans/supporters) = 1100 room nights

4. Juniors History

The Canadian junior men's curling championship began in 1950 in Quebec City, whilst the Canadian junior women's curling championship began in 1971 in Vancouver. The men's and women's championships were contested separately until being combined in 1987 in Prince Albert, Saskatchewan.

Over the past couple of years, the Canadian Juniors has had 14 teams in each gender (representing each of the 10 provinces, in addition to Northern Ontario, the Northwest Territories, Yukon and Nunavut) split into two seven-team pools, with seeding based on win-loss records at the previous year's Canadian Juniors. Teams play a round robin within their pool, leading to a championship pool, which has then led to the weekend playoffs. Teams that don't qualify for the championship pool play in a seeding pool to determine rankings for the next season's Canadian Juniors. Additionally, the non-playoff teams have participated in an unofficial mixed doubles competition.

The winners of the prestigious Canadian Juniors represent Canada at the World Junior Curling Championships. Canada has won a leading 19 world junior men's titles since 1975 and a leading eleven women's crowns since 1988.

5. Timelines

Please see **Appendix 3** for timelines for the bid process

6. Bid process

Bid packages will be treated with confidentiality and as a 'closed' process, given the multitude of stakeholders and diverse interests which may be represented.

Curling Canada reserves the right not to accept any of and/or all of the bids at its sole and unfettered discretion. While Curling Canada is seeking the best possible bid for this prestigious event, it is not obligated to accept the highest bid.

As above, bids must be in the form of written presentation only. In the unlikely event that a site visit is required, Curling Canada will be responsible for all related expenses. Curling Canada reserves the right to disseminate further information to all candidates throughout the bid process.
