Figure 12. Twenty-four teams in 3 pools of 8 teams (A, B & C)

After the seven weeks of play, the bottom three teams in A move to B, the bottom three teams in B move to C. The top three teams in C move to B and the top three teams in B move to A. This is called a “Ladder” and is very good for parity and meaningful games week to week. You should be able to run three of these in a season.
